

Serving as an Extension of Our Clients and Candidates

K. Russo Associates' client list includes some of the country's leading Fortune 500 companies, as well as national and regional organizations in financial services, entertainment, environmental enterprises, telecommunications, consumer products, pharmaceuticals and public relations. We are able to accomplish the most for employers of choice — organizations that value their human capital, look to achieve retention and strive to be industry leaders.

In Their Own Words

*"With 10+ years in the recruiting function, I find K. Russo Associates Inc. the **best for understanding the company's culture**, the demanding need of filling positions in a short time frame, presenting **qualified candidates** and not resumes. I call Karen Russo first because **I get results** and not just recruiting service."*

Director Staffing
Fortune 500 Entertainment Company

*"Karen is very open, but careful not to disclose any information that would put a client at a disadvantage. Her team presented **excellent candidates** for U.S. PR Manager. K. Russo Associates **operates with integrity**, sources candidates effectively, negotiates carefully, and communicates well."*

Global Director of Media Relations
Leading Investment Research Provider

*"I have worked with Karen Russo for many years. All candidates presented to me, without exception, are rigorously screened and squarely on the mark. An **outstanding recruiter**, Karen's **added value** lies in her ability to close the deal. We attracted and ultimately hired our first choice thanks to Karen's **ability to brand our company** and sell the benefits of our firm."*
